Quotes : "It seems that success is not acquired by doing what we want to do but doing the tasks necessary to make it happen. " *Joe Allen and David Donaldson*

Counselor- Students: Even if you are not fully registered for the Mendocino College classes that start on our campus next week, please attend class anyway.

If you are unsure about signing up for a class, you are welcome to attend next week as a "try out" to see if you like it or not. This will give you an opportunity to talk to the instructor, learn what the expectations will be, see who else is there, and if you want to commit to it for the semester.

We will begin the theatre class Tuesday 8/22. The class meets for 3 hours after school, 3 days a week, Tue, Wed, and Thur. We will be presenting A Christmas Carol, by Charles Dickens. I am hoping that this info can be shared in the student announcements from now until Thursday, which will be the last day to sign up.

We have a new class opportunity. We are going to be offering a Study Hall during 7th period. This class will earn you elective credit. If you are interested in a schedule change and would like to see if Study Hall 7th period will fit in your schedule, please sign up to see Ms. Carter

Reminder only one Breakfast before school or at break.

Sport: Red and White Scrimmage this Friday, plus Lights dedication at athletic field. 7:30pm

Freshmen! If you are interested in running for class office, pick up a petition form and return it by Monday to Mrs. Mathews in the office.
