## California Department of Education School Accountability Report Card Reported Using Data from the 2013-14 School Year

Published During 2014-15

Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1 of each year. The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- View this SARC online at the school and/or LEA Web sites.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents and community members should contact the school principal or the district office.

#### About Our School

Upper Lake High School was founded in the town of Upper Lake, California in 1916. The Upper Lake Union High School District is comprised of ULHS, a comprehensive high school, Clover Valley High School, the districts' continuation high school, the Community Day School as well as an adult education program.

Upper Lake High School is the only school district in Lake County that is not unified with an elementary school district.

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

**School Facility Conditions and Planned Improvements - Most Recent Year**

ULHS has been on this site since the very early 1900s. In the last few years we have completed renovation and/or replacement of our major buildings, representing about 95% of the instructional area. A recently new library, new cafeteria, six new classrooms, and a new administrative area results in a spectacular small school. Several other permanent classrooms have been completely modernized. All of the campus is Internet connected. Two computer labs are available to

students and teachers. In addition, there are four portable computer labs available. The school is Americans with Disabilities Act (ADA) compliant. We have an athletic field with bleachers and separate fields for baseball, and softball. The school has an outdoor shade structure for students.

**Safety:** Students are supervised on the school grounds by school staff and administration from 7:30 a.m. 30 minutes prior to the start of school, to 3:35 p.m. 30 minutes after school is dismissed. Lunchtime is a closed campus. Additional school fencing was added to secure certain areas of the school. The entire campus is provided with surveillance cameras and signs are posted that indicate such. Visitors entering the campus must sign in at the office and obtain a visitors pass that they are required to wear when on the school site. Signs are in place on the perimeter of the campus informing visitors of this requirement. Students and parents must check students out in the office when leaving during the day.

**Cleaning:** A crew of three maintenance/custodians—one during the day and two in the afternoons and evenings—ensure that the campus maintains a sparkling presence in the community. The custodians provide daily cleaning of each classroom, as well as all student accessed facilities. The three maintenance workers work closely with administration to prioritize written maintenance requests in order to ensure a quick response to facility needs. All toilets are in working order and restrooms are cleaned daily.

The Facilities Inspection Tool (FIT) was completed on 8/22/14

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress and its successor the Standardized Testing and Reporting Program);
- The Academic Performance Index; and
- The percentage of pupils who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

**Career Technical Education Programs (School Year 2013-14)**

ULHS pursues an active involvement in Regional Occupational Programs including a four-year sequence of computer courses providing preparation for A+ Certification.

Upper Lake High School offers Computer Technology and Agriculture courses that are focused on career and work preparation. Courses conducted by the Regional Occupational Program include: Computer Applications; Computer Science; Computer Services; Publications; Agriculture Mechanics; and Forestry.

The Computer Technology and Agriculture courses are aligned with applicable model curriculum standards. Computer Technology offers a three-course sequence: Computer Applications, Computer Science, and Computer Service.

ULHS has had an Agriculture program for many years, Upper Lake High School's Agriculture program has an informal advisory committee comprised of community members and agricultural-based organizations.

Upper Lake High School continues to offer and develop classes and programs that are integrated with the Standards-based curriculum. Academic courses and Career Technical courses are offered throughout the school day. Students are encouraged to avail themselves of the opportunity to take at least one of the several CTE course offerings, at some point in their high school career, in preparation for the challenges faced in today's work world.

Upper Lake High School offers career assessments and career exploration programs through the administration of the ASVAB, Career Cruising, and the College Going Initiative. Teachers, in concert with the county ROP Director, provide students with the opportunity to job shadow, visit career fairs, participate in skill competitions, and attend conferences.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

#### Opportunities for Parental Involvement - Most Recent Year

School Site Council (SSC): The SSC provides a platform for parental and student input directly into the mainstream of ULHS. This group is routinely consulted regarding school change processes and financial decisions directly affecting students. SSC is the point group for the school's Single Plan for Student Achievement/WASC and collaboratively leads, with administration, instructional program changes to enhance the school's API. It is responsible for the allocation of many categorical funds.

For more information on how to become involved, contact Patrick Iaccino, Superintendent/Principal, at (707) 275-2655.

Upper Lake High School Booster's Club: The primary goal of the ULHS Booster's Club is to encourage and reward student participation at ULHS. Responsibilities include fund raising and other activities deemed appropriate for the benefit of ULHS programs. Funds are allocated 30% to athletics, 30% to curricular programs, and 30% to extracurricular programs. The remaining funds are available for use pursuant to the discretion of the membership. The Club must maintain a \$3,000 minimum ending balance each year.

For more information on Upper Lake High School Booster's Club, please contact Patrick Iaccino, at (707) 275-2655.

**School Safety Plan - Most Recent Year**

---

The School Safety Plan was last reviewed on September 2013. It is kept in the Vice Principal's Office at ULHS. The purpose of the plan is to provide for the safety of students and staff, documentation of student location, and access to students by parents during an emergency. It addresses preparedness for earthquake, fire, flood, intruders, and terrorist activities and drills to ensure the same. Other areas addressed by the plan include visitor sign-in requirements, first aid training for staff, and requirements of the State of California.

**Professional Development – Most Recent Three Years**

---

- ULHS exists in a rural agricultural area, which limits access to many development opportunities afforded to teachers in urban areas. We therefore, have set aside a special period each Wednesday afternoon for collaborative planning and staff development. We also offer online access for teachers to connect with distance learning opportunities. Our current project is to enhance student achievement on standardized tests.
- For the previous three school years, we have dedicated two days each year to staff and professional development.
